**AHEC Stand Received “Best Stand In Show” Award at IFFS 2016**

Congratulations!! The AHEC stand won “Best Stand in Show” award at IFFS 2016. It was designed by Jarrod Lim, a Singaporean furniture designer-maker, and constructed in American Cherry veneer, hand-woven in the form of historical vernacular architecture. This stunning award-winning booth had successfully drawn in a lot of visitors throughout the fair period with multiple enquiries received on supply of US hardwoods.
