Taipei Building Show (Dec 2016)

Taipei Building Show is one of the largest building shows in Taiwan with a total of more than 2,000 booths. It was held from Dec 15-18, 2016 at TWTC Hall One and Nangang Hall in Taipei City. It focused on the theme of eco-friendly and green building. The exhibition is divided into specialized areas such as “Green Buildings Materials”, “Tiles & Decorative Building Materials”, “Miscellaneous Building Materials” etc. There were around 52,000 visitors during these four days.

Organized by ATO Taipei and the commercial section of American Institute in Taiwan (AIT), the US Pavilion covered around 126sqm at the TWTC Hall One. AHEC booth was about 18sqm and the flooring was engineered flooring. At the Taipei Build Show, John Chan greeted and exchanged opinions with a few visitors at the AHEC booth who told that they first started with softwood and currently in 2016 they also import American hardwood distributing in Taiwan for domestic market.
